

Vibcare Healthcare Private Limited

Starter cardiac and diabetic range: 22 products

A first cardiac-diabetic range for a marketing company, covering hypertension, lipids, antiplatelet therapy and type 2 diabetes from first line to add-on. Every product is on the manufacturing licence of our WHO-GMP plant at Panchkula, Haryana, and is manufactured as tablets or capsules under your brand.

How to take this forward

Send this list, or your own, with pack sizes and annual quantity, and a written proposal comes back product by product covering rate, batch size, pack format, capacity, payment terms, lead time and documents. Delivery is 45 to 60 days from artwork finalisation. Every batch is released with a certificate of analysis.
