Dandruff and hair	Ketoconazole + Zinc pyrithione lotion; Minoxidil 5% topical solution

How to take this forward

Send this list, or your own, with pack sizes and annual quantity, and the written proposal comes back product by product with rate, minimum batch, lead time and the documents that go with each supply. Artwork is checked against the composition before the first batch, and the first order of a new product ships in 45 to 60 days from artwork approval.
