

Vibcare Healthcare Private Limited

Starter pain and ortho range: 20 products

A first pain and ortho range for a marketing company, covering acute pain, muscle spasm, fever, neuropathic pain, bone health, swelling, gout and topical relief. Every product is on the manufacturing licence of our WHO-GMP plant at Panchkula, Haryana, and is manufactured as tablets, capsules, suspensions or gels under your brand.

How to take this forward

Send this list, or your own, with pack sizes and annual quantity, and a written proposal comes back product by product covering rate, batch size, pack format, capacity, payment terms, lead time and documents. Delivery is 45 to 60 days from artwork finalisation. Every batch is released with a certificate of analysis.
